

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

WHY?

Because we aim to give our subscribers what they want as far as possible. If you are forming a collection of bird skins, birds eggs or bird photos; if you need bird literature; if you have any of these to dispose of; in any case you need "THE OOLOGIST."

We reach the people interested in these hobbies every month.

We keep you posted on the little things you cannot afford to miss.

Try the "OOLOGIST" a year and be convinced. Published every month, only 50 cents a year with free exchange or sale notice.

Sample copy for stamp. Address,

ERNEST H. SHORT

CHILI, NEW YORK

A CHRISTMAS GIFT FOR BIRD LOVERS

Tell us to whom you wish us to send BIRD-LORE for you during 1905, and we will forward a Christmas Card giving your name as donor, a beautiful, nearly life-size drawing of the Northern Shrike, by Ernest Seton Thompson, and a free copy of our December, 1903, issue containing two colored plates.

All these will go in time to be received, with your greetings, on Christmas Day and BIRD-LORE will follow, as published, throughout the year. A valuable present, easily made.

\$1.00 a year; for Christmas 5 subscriptions for \$4.00,
3 subscriptions for \$2.50.
